Dear Sir:

The Interview Summary which accompanied the Notice of Allowance dated October 8, 2008 in this application indicated that Applicants were required to file a statement of the substance of the telephone interview conducted September 25, 2008. During the Examiner-initiated interview, the Examiner proposed amending claim 51 to include the limitations of claim 85 and cancelling claims 38, 48, 49, 65, and 66 to place the application in condition for allowance. Applicants' undersigned representative pointed out that claim 38 should be maintained but agreed to the remaining proposals of the Examiner. The Examiner indicated he would make the changes by Examiner's amendment.

Respectfully submitted,

/Holly D. Kozlowski/
